I would change parishes to counties, otherwise, it looks good!

Subject: DRAFT START TDDs

Drafted as directed by Nicolas I have drafted the attached TDDs with Nold as COR for Alpha, Zehner as COR for Bravo and Delgado P. as COR for Charlie. I also added the OSCs you indicated as additional for each location. Although I am indicated as owner Will said as long as I changed the name in the COR box that individual would be the lead on the TDD. Please let me know if changes are required before I make them final. I will do another TDD that will include: Harvey REOC support, financial reporting, SOC and JFO support and Eric Delgado's data management from the REOC. If I don't hear any comments by EOD today, I will finalize and forward to Will.

Will work on ERRS next.
